

You're ski patrol working in search and rescue. A blizzard hits a popular back country skiing area (Mayflower Gulch) and a group of skiers gets lost. You're dropped off by a snowmobile on Fletcher Mountain where the group was last seen. Will you be able to find all 6 skiers? Be careful! There is a lot of fresh snow and some of it is very unstable.

Lost Skiers:
Dan
Julia
Spencer
Jake
Darby
